

Highlights of the Building Expansion to date:

- An expanded sanctuary with new pews, increasing seating capacity from 100 to 162
- Two large Sunday school classrooms that can be converted to four smaller ones
- A Great Hall with new tables and chairs to accommodate 100
- A larger and more efficient kitchen adjacent to the Great Hall
- A new covered entry with a large foyer and much needed closet space
- Two new full bathrooms
- Three multi-purpose rooms and storage areas
- State-of-the-art natural gas heating and cooling systems
- An expanded irrigation system to cover the church grounds
- Matching interior trim fit and finish through all new and modified areas, including hardwood and ceramic tile through the church
- Centrally controlled fire alarm and security systems

Needed items as funds become available:

- Additional wall outlets
- Folding walls for both new classrooms
- Carpet for sanctuary
- Removal of end walls in choir loft
- Sound system for choir, sanctuary, classrooms and Great Hall
- Electronic chimes for exterior dome
- Rear deck off the Great Hall
- Additional outdoor storage shed
- Rug for foyer
- Stone veneer around exterior foundation of annex and new building
- Crown molding and wainscot throughout sanctuary and new foyer
- Additional iconography
- Defibrillator
- Extension of lightning protection to annex and new building
- Replacement of interior double doors to sanctuary with oak doors
